

Tips for Hassle Free Air Travel

Before You Travel:

- Review list of prohibited items at www.tsa.gov.
- Check airline and government baggage restrictions.
- Pack Smart
- Ensure that all carry-on liquids are less than 3 oz. each and they are all packed in one 1 quart clear plastic bag.
- Charge your carry-on electronics.
- Check with your airline for advised check-in times.
- Utilize web check-in, if possible.
- Make sure you have government issued photo identification and any other required documentation.

At The Airport:

- Use computerized check-in kiosks.
- Never leave your belongings un-attended.
- Proceed to the shortest security line.
- Listen for special announcements.
- Remove everything from your pockets.
- Remove all metal from your person.
- Remove all outer garments.
- Remove your shoes.
- Remove plastic bag with liquids for inspection.
- Take laptops and video cameras out of luggage.
- Purchase a snack & beverage (after security) to take on-board.
