

Packing Tips for Air Travel

- Research your travel destination and pack the appropriate items.
- Review the TSA list of prohibited items at www.tsa.gov. Place all sharp objects in checked baggage.
- Pack under-garments and knit clothing in clear, sealable plastic bags (ex. Ziploc). This will minimize wrinkles and make any luggage searches more discreet.
- Pack heaviest items at the bottom.
- Pack all valuables and keys in carry-on luggage.
- Pack all medications in carry-on luggage.
- Pack toiletries in clear, sealable plastic bags.
- Ensure all carry-on liquids are less than 3 oz. each. Place them in one 1 quart, clear sealable bag.
- Place a toiletry bag, with anything you may need (remember unexpected delays, etc.) in carry-on luggage. Place any liquids that may spill in 2 sealed bags.
- Pack all film and cameras in carry-on luggage.
- If you are traveling with a close friend or family member, pack a change of clothes in each other's bags (in case of lost luggage).
- Pack a change of clothes in your carry-on luggage.
- Do not pack wrapped packages. Place folded wrapping paper in you bag to wrap the gift later.
- Weigh checked baggage before going to the airport. This way you can make any necessary adjustments at home, instead of in the middle of the airport.
- Lock checked baggage with TSA approved locks. Also, make sure to have TSA approved locks for any large carry-on items, in case they have to checked.
